Dear AMS Parents and Guardians,

I've truly enjoyed watching all of our students learn from various projects, activities, and lessons, inside and outside of the classroom this fall. Our staff at Atlantic Middle School has been fantastic, working alongside all students to make sure they are learning each and every day. Hopefully you can make it to parent-teacher conferences to visit with each teacher about the start of the school year.

Please see the schedule below:

Friday, October 26th- No School

This year during parent-teacher conferences, teachers will be located in the gym for the evening sessions on October 24th and 25th. For the day session on October 25th, teachers will be located in their classrooms. Parents and guardians are encouraged to pick up their student's academic folder, which will contain various artifacts and NWEA test scores from our first quarter of school. Student academic folders will be located in the gym.

I hope you all get a chance to make parent-teacher conferences and visit with each of your student's teachers. This is a great opportunity to see the progress of your son and/or daughter, along with addressing any questions you may have at this time. Mrs. Hayes, Middle School Secretary, and I will be available in the gym to assist you with any questions.

I look forward to seeing you during our fall conferences! Go Trojans!

Sincerely,

Josh Rasmussen
Principal
