Seniority shall accumulate without regard to whether the employee is full-time or part-time (e.g., A full-time employee after three years of service would have three (3) years of seniority. Similarly, a part-time employee after three years of service would have three (3) years of seniority, even though such employment was on a part-time basis.). Changes to the seniority list based on rotation schedule may be made when the affected employees agree to change rotations. In an emergency and/or unexpected situation, the Transportation Director may forego this process to provide immediate transportation for students and/or employees.

If more than one employee within the affected classification requests a transfer to a vacancy, the District, in its sole and exclusive judgment, may transfer the employee most qualified for the vacancy. When the District determines two or more candidates have equal qualifications, the most senior employee may be assigned to the vacancy. The District reserves the right to deny transfers, and hire individuals from outside the District to fill vacancies.

Section 4: Notification of Decision

Within ten (10) work days after the decision has been made, the employer shall make known its decision as to which applicant has been selected to fill a posted position. Each applicant shall be so notified in writing with a copy provided to the Association.

If the administration intends to recommend to the Board a reduction-in-force of any bargaining unit employees, the Association membership shall be notified by sending written notice to the president of the Association. Such written notice shall contain the following information (if known at the time of the notification):

1. The Reason(s) For the Reductions-In-Force
2. The Date the Reduction(s) Would Become Effective
3. The Classification(s) To Be Affected
4. The Employee(s) To Be Reduced
5. The Basis For Selection of the Employee(s) To Be Reduced

Section 2: Selection of Employees To Be Reduced

- A. In selecting the employee(s) to be reduced, the Board shall select the least senior member of the classification being reduced. The classifications shall be those reflected in Article 17 -- Transfers.

- B. The district may forego the use of seniority in the selection of employees to be reduced in those cases where the district can show that another employee's qualifications are superior to those of the most senior applicant's. The term qualifications shall include, but shall not be limited to, the job performance evaluations of employees.

Section 3: Effective Date of Reductions-In-Force

In the event the Board determines that it is necessary or desirable to reduce the number of employees in the school district, the Board's official action ordering such reduction shall not become effective for at least fourteen (14) calendar days from the date of such action. In the event the Board determines that it is necessary or desirable to reduce a department, the Board's official action ordering such reduction shall not become effective for at least sixty (60) calendar days from the date of such action.

Section 4: Recall Rights

Following a reduction-in-force, if a vacancy occurs in any bargaining unit classification, those employees who were reduced-in-force shall have rights of recall for one year from the effective date of such reduction. Said employees shall be recalled to vacancies in their classifications with the most senior qualified employee, as determined by the sole discretion of the Superintendent, being recalled first. Notice of recall shall be sent by certified mail to the last known address of said employee. If an employee fails to accept by certified mail or by delivery of a written acceptance to the district office the recall to employment within ten (10) days of receipt of such notice, he/she will be deemed to have waived his/her rights to recall.

Section 5: Benefits

All benefits to which an employee was entitled at the time of his/her layoff, including unused sick leave, will be restored to the employee upon his/her return to active employment. Additionally, the employee will be placed on the salary schedule at the position he/she would have been entitled to had there not been a layoff (except that no years of service or seniority will accumulate during the period of layoff).

Article 16 -- EMPLOYEE EVALUATION PROCEDURES

Section 1: Notification

Within thirty (30) days after the beginning of each school term, the district shall acquaint each employee with the evaluation procedures. The purpose of the orientation is to achieve mutual understanding of the evaluation system.

Section 2: Formal Evaluations

Continuing employees shall be formally evaluated at least once each year.

Section 3: Formal Evaluation Procedures

The appropriate supervisor shall evaluate each employee formally in writing. The following procedures shall be used:

- A. Conference and Copy of Evaluation

A copy of each formal evaluation shall be given to the employee and a conference shall be held between the employee and the immediate supervisor. Only evaluation documents that have been signed and dated by both the employee and the appropriate supervisor shall be contained in the employee's evaluation file. No employee shall be required to sign a blank or incomplete evaluation form. Employees shall, however, sign all completed evaluation documents.

B. Responses

If the employee feels that his/her formal evaluation is incomplete, inaccurate, or unjust, he/she shall have fourteen (14) days to put his/her objections in writing and have such attached to the evaluation report to be placed in his/her evaluation file.

Section 4: Remediation

In the event an employee has deficiencies noted in his/her formal evaluation(s), the appropriate supervisor shall conference with the employee and assist him/her to improve his/her quality of work and/or to eliminate the deficiencies noted in the evaluation(s).

Section 5: Appeal

Employees' performance evaluation reports shall not be subject to the standard grievance procedure. Employees shall have the right to appeal their evaluation in accordance with the following procedure:

- A. Any employee who believes his/her evaluation is inaccurate or unfair may within five (5) working days following the employee's oral evaluation make a written description of such inaccuracies and request a conference with his/her supervisor to discuss such inaccuracies.
- B. If in the opinion of the employee such discussion does not resolve such inaccuracies, the employee may within five (5) working days following the discussion with the supervisor make a written appeal of such inaccuracies to the superintendent.
- C. Following receipt of the employee's written appeal, the superintendent will discuss the employee's evaluation inaccuracies with the employee and then with the employee's supervisor. The superintendent will make the final decision as to the validity of the alleged inaccuracies.

Section 6: Evaluation File Review

Each employee shall have the right during normal business hours to review the contents of his/her personnel file. A representative of the association, at the employee's request, may accompany the employee in this review.

Section 7: Evaluation File

- A. The employee shall have the right to respond to all materials contained in his/her personnel file and to any materials to be placed in said file in the future. Such employee responses shall become a part of said file.
- B. Any complaints that are directed toward an employee which are placed in the employee's personnel file shall be brought to the attention of the employee by the administration or the appropriate supervisor.
- C. Each employee will have only one evaluation file. This file will contain all documents and information that relates to said employee's evaluations.

Section 8: Reproduction of Contents of File

The employee shall, upon request and without charge, be provided one copy of any of the contents of his/her personnel file.

Section 3: Transportation

- A. All school employees (new or continuing) who are required to hold a CDL license and/or school bus permit will be required to have a physical examination every two (2) years. The district reserves the right to choose the medical provider and will pay the full cost of the physical.
- B. The district will utilize Iowa's Department of Transportation (DOT) physical form to determine physical fitness to perform assigned transportation duties. In accordance with board policy all transportation employees will also be required to pass an annual "physical assessment test" to determine agility and physical fitness to perform transportation duties.
