

Farm to School

On Wednesday, November 8th, 2017, the first grade class celebrated Harvest Days at Washington Elementary. What a great Farm to School activity! First graders traveled to seven agricultural/educational centers. Topics included: farm animals, family farms, farm machinery, and farm safety. Those groups helping with Harvest Days include: First Grade Team, Cass County Cattlemen, SW Iowa Egg, Lindeman's, ISU Extension, Stacey Euken, Emily Sauegling, and Delbert Westphalen. Thanks to all who were involved in this great day of learning.
